

ICDP Campaign Committee Report

8/2/22

Our GOTV plan calls for members to reach voters by phone bank, knocking doors and post cards.

Phone Banking to reach 700 Independents and leaning Republicans is underway. We need more volunteers to be trained and making calls to voters in Commission Districts 2 and 3. Don Stansloski is calling District 1, Rome Miller is calling District 4, and Kathleen Davidson will call District 5.

Door Knocking has been focused on the East Tawas area so far with assistance from Nik Baker on Dr. Bob's staff for preparing turfs using the VAN MiniVAN software and training volunteers.

Post Carding is scheduled to begin in September with over 1,000 homes of strong and leaning Dems. We will consult with Jaime Brants to program the lists for the most likely to need a reminder. We will be able to order Post Cards with appealing artwork on one side and the message on the stamp side. The board members have picked four designs from the MDP Rural Caucus materials to purchase and print.

LINE 5

The Cheboygan County Democratic Party working with the Straits of Mackinaw Alliance has prepared an updated Resolution Draft for consideration by the MDP at its August committee meetings and the 2022 Convention. Attached is a draft of the resolution which we will consider at our August 6 Convention. We will have a member on the Resolutions Committee to present this revised document for the State-level agenda.
