

**If you have been disappointed with our legal system, this is the time to tell the Supreme Court how you feel.**

I'm going to ask you to do something, it's neither time consuming nor expensive.

Two brothers, Loy and Raland Brunson, filed a pro-se lawsuit a couple years ago against 338 (three hundred and thirty-eight!) elected and appointed federal officials, including Joe Biden, originally asking a Utah state court to remove them all from office for sedition and treason.

The gist of Brunsons' argument is that:

- since 100 congressmen wanted an investigation before certifying the 2020 election, and
- the US Congress ignored their objections and certified anyway,
- the defendant congressmen "adhered to our enemies" and,
- because the certification vote was procured "by fraud,"
- they, Biden and everyone that he appointed should be promptly removed from office.

The case asserts that by failing to fulfill the requirement to investigate:

- all those who refused to investigate failed to fulfill their Oaths to protect the Country and Constitution.
- failure to protect the Country is tantamount to committing treason.
- consequently, these officials are open to investigation on such charges and if found guilty they could face the associated penalties.
- and all those who failed to protect the Country be immediately removed from office and barred from holding future public office for the remainder of their lives.

Several U.S. Senators called for a 10-day pause in the Electoral process, and further asked Congress to appoint an Electoral Commission and to perform an emergency audit on the election results from the disputed States. There is a precedent for this in 1877 allegations of fraud and illegal conduct arose surrounding the Hayes-Tilden Presidential Race

Brunson has managed to get a toenail into the Supreme Court somehow and this case is before SCOTUS because they CHOSE to review this case.

This is what we are asking you to do, all you need is a printer, 2 envelopes and 2 stamps:

- Send one copy of the letter listed below to the Supreme Court and one to the Brunson brothers (The Brunson brothers will keep count)
- Or, just write on a piece of paper: Attention to the "9 Supreme Court Justices".
  - Express support of Brunson vs Alma S Adams et al, No.: 22-380.
  - Sign your name and date it. You can write more if you wish. It's that simple.

Mail to: **Supreme Court of the United States, 1 First Street, NE, Washington, DC 20543** and one copy to: **Loy & Raland Brunson, 4287 South Harrison, Blvd, Apt 132, Ogden, UT 84403**

RE: Brunson v. Alma S. Adams et al, Case No. 22-380

Dear Justices,

This letter is to express my support of the above referenced case. I am concerned that the United States has experienced a national security breach and a violation of every citizen's greatest power in a Republic; voting. I ask that you stand against the adherence of foreign and domestic enemies and uphold the supreme law of the land by granting this petition. You truly are in a position that represents a court system greater than the world has ever seen.

I, along with many others, seem to be witnessing our nation captured and I am left to wonder if it might be by some of these very respondents. I pray for the right and just outcome and I am grateful for your time and consideration.

Sincerely,
